

Jungblut
Prelim. Amd.U.S. Nat. Phase
PCT/DE98/01499
Nov. 22, 1999

Remarks:

Applicant submits this preliminary amendment to become part of the disclosure of the application submitted herewith to enter the U.S. National Phase of PCT Application No. PCT/DE98/01499.

Applicant has amended the claims simply to remove the multiple dependent claims present in the International Application. No new matter has been added. Applicant respectfully contends that, based upon the above remarks and amendments, Applicant submits that the application is now in condition for allowance and early notice of such allowance is respectfully requested. The fees associated with this amendment, if any are due, are included herewith.

Respectfully submitted,

Paul C. Remus
